Ginny,

Thank you for sending the letter via email. We have tentatively scheduled the field work to start on August 20th. This work will take approximately 3 days. Your letter states we should notify you at least 10 days prior to the start date. I am going to be unavailable 10 days prior to the start which would be August 10th. I will be back in the office on August 14th and will confirm the date with you when I return.

If you should have any concerns with the schedule, please feel free to contact us at 910-452-5861.

Thanks,

Jeff

Jeff,

I've attached my approval letter for the Soil Investigation Plan. Let me know if you have any questions.
